Attire:

Leotards and tights are highly recommended for all dance classes. It is important for instructors to be able to see that the body is working safely and correctly – dance clothes will allow this. Boys may wear any solid colored t-shirt and black jazz pants or sweat pants. Hair should be pulled back or in a bun. Footless tights, leggings or bare feet can be worn for all tumbling classes. Tap shoes should be worn for tap classes, ballet shoes with elastic for ballet classes and bare feet or jazz shoes for jazz classes. Ballet I and up : black leotard, pink tights and ballet shoes. Dance attire/shoes may be purchased at BVBC studio, Payless Shoes or Discount Dance Supply online (use teacher code TP31829). Used shoes available at the studio on a first come, first served basis.

Studio Information:

Our dance studio floor is a suspended wood/linoleum surface designed to allow the appropriate "give" necessary for safe dance activity. Gum, food and drinks are not allowed in the dance studio (water bottles ok). We ask students to not wear street shoes on the dance floor. The space is also used by other teachers and programs – students are asked to be respectful of this and should ask permission before using any equipment in the dance studio. Students will also be expected to show courteous behavior towards all teachers, parents and fellow students.

Observation: Space inside the studio is limited; parents are asked to use the observation room to keep distractions to a minimum, especially for our younger students.
